Our technical training list includes the following fine OEM's Bell/Airbus/ Leonardo/Pratt & Whitney/Safran/Honeywell/Cessna; under the categories of Field Maintenance, Overhaul and Recurrent courses.

INTERMOUNTAINHELICOPTERS.COM

I am Travis Harold President and Director Of Operations of Intermountain Helicopters. In my business, safety is our utmost priority, and hiring HTIGLOBAL to train our technicians was the Best Choice to continue maintaining a high level of safety.

I could not be more pleased with the level of training provided and the resulting added safety and efficiency to our maintenance operations.
